## CONDITIONS OF BUSINESS

Buyers and Sellers are requested to read carefully the explanation of cataloguing practice and the Conditions set out below which contain the terms on which Christie's, the fine art auctioneers, conducts sales and handles other related matters. Conditions A 1 to 12 inclusive and the explanation of cataloguing practice, where applicable, are of particular relevance to Buyers and Conditions B 1-11 inclusive to Sellers. Definitions of words and phrases with special meanings appear in Condition C7.

### A.

### THE BUYER

#### 1. Christie's as agent

Save as otherwise appears, Christie's acts only as agent for the Seller.

#### 2. The Buyer

- (a) The Buyer shall be the highest bidder acceptable to Christie's and Christie's shall have absolute discretion to settle any dispute;
- (b) every bidder shall be deemed to act as principal unless Christie's has, before the date of the auction, acknowledged in writing that the bidder is acting as agent on behalf of a disclosed principal;
- (c) every bidder shall complete and sign a Registration Form before the date of the auction.

#### 3. Catalogue Descriptions

- (a) Any representation or statement by Christie's in the catalogue as to the authorship, origin, date, age, attribution, genuineness, provenance, condition or estimated selling price of any Lot is a statement of opinion only. Any illustrations in the catalogue are solely for the guidance of prospective Buyers and are not to be relied upon in terms of tone or colour or necessarily to reveal imperfections in any Lot;
- (b) in addition, many Lots are of an age or nature which precludes their being in pristine condition and some descriptions in the catalogue make reference to damage and/or restoration. Such information is given for guidance only and the absence of such a reference does not imply that a Lot is free from defects nor does any reference to particular defects imply the absence of others;
- (c) buyers must satisfy themselves as to all matters referred to in (a) and (b) above by inspection or otherwise prior to the date of the auction. The attention of buyers is also drawn to the explanation of cataloguing practice contained in the catalogue.

#### 4. Premium

The Buyer shall pay to Christie's a premium of 10 per cent of the Hammer Price together with VAT at the standard rate thereon and the Buyer acknowledges that Christie's may also receive commission from the Seller in accordance with Condition B4.

#### 5. Value Added Tax

In the case of a lot marked with a dagger [†] in the catalogue, VAT is payable on the Hammer Price, refundable on proof of export. VAT is payable at the rates prevailing on the date of the auction.

#### 6. Currency Converter

For the guidance of buyers a currency converter will be operated at some auctions based on the rates of exchange quoted to Christie's by Lloyds Bank Plc on the last banking day before the date of the auction. Christie's shall not accept any responsibility in the event of error on the currency converter whether in the foreign currency equivalent of bids in pounds sterling or otherwise.

#### 7. Payment

Upon sale of a lot, the Buyer shall:

- (a) unless he has already done so, give to Christie's his name and address and, if so required by Christie's, his bank or other suitable references;
- (b) pay to Christie's the Purchase Price within seven days from the date of sale, notwithstanding that, where the Buyer wishes to export the Lot, an export licence may be required.

#### 8. Collection of Purchases

- (a) The property in a Lot shall not pass to the Buyer until he has paid the Purchase Price in full and no Lot may be taken away during the auction, nor may any Lot be taken away until the Purchase Price has been paid in full.
- (b) the Buyer shall remove at his expense any Lot purchased by him within seven days from the sale;
- (c) the Buyer shall be responsible for any removal, storage and insurance charges on any Lot not taken away within seven working days after the date of the auction;
- (d) any packing and handling of purchased Lots by Christie's staff is undertaken solely as a service to buyers, and will only be undertaken at Christie's discretion and at the Buyer's risk. Christie's shall not be liable in any event for any damage to glass or frames, irrespective of cause. In addition, Christie's shall not be liable for any errors or omissions or damage caused by packers and shippers that Christie's has recommended to buyers.

#### 9. Responsibility for purchased Lots

A purchased Lot shall be at the Buyer's risk in all respects from the time of collection or the expiry of seven days from the date of sale, whichever is the sooner, and neither Christie's nor its employees nor agents shall thereafter be liable for any loss or damage of any kind, whether caused by negligence or otherwise, while any Lot is in or under their respective custody or control.

#### 10. Remedies for non-payment or failure to collect purchases

If a Buyer fails either to pay for or to take away any Lot, Christie's shall, without further notice to the Buyer and at its absolute discretion and without prejudice to any other rights or remedies it may have, be entitled to exercise one or more of the following rights or remedies:

- (a) to issue proceedings against the Buyer for damages for breach of contract;
- (b) to rescind the sale of that or any other Lots sold to the Buyer at the same or any other auction;
- (c) to resell the Lot or cause it to be resold by public or private sale. Any deficiency in the Purchase Price resulting from such resale (after giving credit for any payment) together with full costs incurred in connection with the Lot shall be paid to Christie's by the Buyer and any surplus over the Proceeds of Sale shall belong to the Seller and in this Condition the expression 'Proceeds of Sale' shall have the same meaning in relation to a sale by private treaty as it has in relation to a sale by auction;
- (d) to store the Lot or cause it to be stored whether at its own premises or elsewhere at the sole expense of the Buyer, and to release the Lot only after payment in full of the Purchase Price, the accrued cost of removal, storage and insurance and all other costs incurred in connection with the Lot;
- (e) to charge interest on the Purchase Price at the rate of 2 per cent above Lloyds Bank Plc base rate to the extent that it remains unpaid for more than seven days from the date of sale;
- (f) to retain that or any other Lot sold to the Buyer at the same or any other auction and release the same only after payment of the Purchase Price;
- (g) to apply any proceeds of sale of any Lot then due or at any time thereafter becoming due to the Buyer towards settlement of the Purchase Price and Expenses, and Christie's shall be entitled to a lien on any property of the Buyer which is in Christie's possession for any purpose;
- (h) to apply any payments by the Buyer to Christie's towards any sums owing from the Buyer to Christie's or to any associated company of Christie's without regard to any directions of the Buyer or his agent, whether express or implied.

## **11. Guarantee**

- (a) Subject to the obligations accepted by Christie's under this Condition, none of the Seller, Christie's, its employees or agents is responsible for the correctness of any statement as to the authorship, origin, date, age, attribution, genuineness or provenance of any Lot, for any other errors of description or for any faults or defects in any Lot and no warranty whatsoever is given by the Seller, Christie's, its employees or agents in respect of any Lot and any express or implied conditions or warranties are hereby excluded;
- (b) if, within five years of the date of the auction (1) Christie's has received notice in writing from the Buyer of any Lot that in his view the Lot is a Forgery, (2) within fourteen days of such notice, Christie's has the Lot in its possession in the same condition as at the date of the auction and (3) within a reasonable time thereafter, the Buyer satisfies Christie's that the Lot is a Forgery and that the Buyer is able to transfer a good and marketable title to the Lot free from any liens or encumbrances, Christie's will set aside the sale and refund to the Buyer any amount paid by the Buyer in respect of the Lot provided that the Buyer shall have no rights under this Condition if:
  - (1) the catalogue description at the date of the auction was in accordance with the then generally accepted opinion of scholars or experts or fairly indicated there to be a conflict of such opinion; or
  - (2) it can be established that the Lot is a Forgery only by means of a scientific process not generally accepted for use until after publication of the catalogue or by means of a process which at the date of the auction was unreasonably expensive or impractical or likely to have caused damage to the Lot;
- (c) the Buyer shall not be entitled to claim under this Condition for more than the amount paid by him for the Lot and in particular shall have no claim for any loss, consequential loss or damage whether direct or indirect suffered by him;
- (d) the benefit of this guarantee shall not be assignable and shall rest solely and exclusively in the Buyer who shall be the person to whom the original invoice was made out by Christie's in respect of the Lot when sold and who has since the sale retained uninterrupted, unencumbered ownership thereof.

## **12. Commission bids**

Prospective buyers are advised to attend at the auction. Christie's will, however, if so instructed execute bids on their behalf, but neither Christie's nor its employees nor agents shall be liable for any neglect or default in so doing or for failure to do so.

## **B.**

## **THE SELLER**

### **1. Christie's discretion**

Christie's shall have absolute discretion as to the following:

- (a) whether to offer any Lot for sale or not;
- (b) whether the Lot is suitable for sale by Christie's and if so as to the place and date of sale, the conditions of sale and the manner in which such sale is conducted;
- (c) the description of any Lot in the catalogue;
- (d) whether the views of any expert shall be obtained (including submission of items of precious metal to the Worshipful Company of Goldsmiths and/or the London Assay Office); and
- (e) the illustration of any Lot in the catalogue which will be at the Seller's expense up to a maximum of £80 for black and white and £450 for colour (together with any VAT chargeable thereon).

### **2. Warranty and Indemnity**

- (a) The Seller warrants to Christie's and to the Buyer that he has and will be able to transfer good and marketable title to the Lot free from all liens and encumbrances;
- (b) the Seller shall indemnify Christie's, its employees and agents and the Buyer against all claims made or proceedings brought by persons entitled or purporting to be entitled to the Lot and (2) shall reimburse Christie's on demand for all payments, costs, expenses or any other loss or damage whatsoever made, incurred or suffered as a result of any breach by the Seller of (a) above.

### **3. Reserves**

- (a) All Lots will be offered subject to a reserve as agreed in writing between Christie's and the Seller and, once a reserve has been agreed, it may be changed only with the consent of Christie's;
- (b) the Seller shall not bid for his property nor employ any person to bid for him and Christie's alone shall have the right to bid on behalf of the Seller up to the amount of the reserve;
- (c) if a reserve is placed in a currency other than sterling, such a reserve will be calculated at the closing rate of exchange quoted to Christie's by Lloyds Bank Plc on the last banking day before the date of the auction, the certificate in writing of Christie's as to such rate to be conclusive;

### **4. Commission and Expenses**

- (a) The Seller authorises Christie's to deduct commission at the Published Rates and Expenses from the Hammer Price and, notwithstanding that Christie's is his agent, acknowledges that Christie's may retain the premium payable by the Buyer in accordance with Condition A4;
- (b) if a Lot fails to reach its reserve, the Seller authorises Christie's to deduct unsold commission at the Published Rates calculated on the last bid for the Lot and Expenses.

## 5. Insurance

- (a) Unless otherwise instructed by the Seller, all Lots (except for motor vehicles) will automatically be covered by insurance under Christie's own Fine Arts-Policy for such sum as Christie's shall from time to time in its absolute discretion estimate;
- (b) the rate of insurance premium payable by the Seller is 1 per cent of the Hammer Price plus VAT. The sum for which a Lot is covered for insurance under this Condition will not constitute and shall not be relied upon by the Seller as a representation, warranty or guarantee as to the value of the Lot or that it will, if and when sold by Christie's, be sold for such amount. Such insurance will subsist until payment is due or, in the case of Lots Bought in or otherwise unsold, until the expiry of seven days after the receipt by the Seller of notice from Christie's requiring the Seller to collect;
- (c) if the Seller instructs Christie's not to insure a Lot, it shall at all times remain at the risk of the Seller who hereby undertakes (1) to indemnify Christie's against all claims made or proceedings brought against Christie's in respect of loss or damage to the Lot of whatever nature howsoever and wheresoever occurring and in any circumstances even where negligence is alleged or proven (2) to reimburse Christie's on demand for all payments, costs or expenses made, incurred or suffered by Christie's in consequence thereof or arising therefrom. Any payment which Christie's shall make in respect of such loss or damage or payments, costs or expenses shall be binding upon the Seller and shall be accepted by the Seller as conclusive evidence that Christie's was liable to make such payment (3) to notify any insurer of the existence of the indemnity contained in this Condition;
- (d) Christie's does not accept responsibility for Lots damaged by woodworm or by changes in atmospheric conditions and Christie's shall not be liable for such damage nor for any other damage to glass or to picture frames.

## 6. Rescission of the Sale

If before the Proceeds of Sale have been paid to the Seller, Christie's receives notice from the Buyer under Condition A 11(b) that, in the Buyer's view, the Lot is a Forgery, and Christie's agrees with that view, Christie's will rescind the sale and refund to the Buyer any amount paid to Christie's in respect of the Lot.

## 7. Payment of Proceeds of Sale

- (a) Christie's shall pay the Proceeds of Sale to the Seller one month after the date of sale if Christie's has by then been paid the Purchase Price in full by the Buyer and Christie's has not received any notice from the Buyer under Condition A 11(b);
- (b) if by the due date Christie's has not received the Purchase Price in full from the Buyer, then Christie's will pay the Proceeds of Sale within seven working days after the date on which the Purchase Price in full is received from the Buyer;
- (c) if before the Purchase Price is paid in full by the Buyer, Christie's pays the Seller an amount equal to the Proceeds of Sale, property in the Lot shall pass to Christie's;
- (d) in the case of overseas Sellers, the Proceeds of Sale will be paid to the Seller in such currency available to Christie's as may be agreed provided that the Seller specifies to Christie's in writing before the date of the auction the currency required. The sum to be paid to the Seller shall be calculated at the rate of exchange for the Proceeds of Sale quoted to Christie's by Lloyds Bank Plc on the date of the auction, the certificate in writing of Christie's as to such rate being conclusive. If no currency is specified and agreed, the Proceeds of Sale will be paid in the currency of the country where the Seller has his address as notified to Christie's or at Christie's absolute discretion in sterling.

## 8. Collection of the Purchase Price

If the Buyer fails to pay to Christie's the Purchase Price within one month after the date of sale, Christie's will endeavour to take the Seller's instructions as to the appropriate course of action to be taken and, so far as in Christie's opinion is practicable, will assist the seller to recover the Purchase Price from the Buyer save that Christie's shall not be obliged to issue proceedings against the Buyer in its own name. Notwithstanding the foregoing, Christie's reserves the right and is hereby authorised at the Seller's expense, and in each case at Christie's absolute discretion, to agree special terms for payment of the Purchase Price, to remove, store and insure the Lot sold, to settle claims made by or against the Buyer on such terms as Christie's shall think fit, to take such steps as are necessary to collect monies due from the Buyer to the Seller and, if appropriate, to set aside the sale and refund money to the Buyer.

## 9. Charges for withdrawn Lots

The Seller may withdraw a Lot at any time prior to the auction but, once the catalogue including the Lot has been printed, a charge of 10 per cent of the reserve together with any VAT chargeable thereon and Expenses shall become payable or, if there is no reserve, a charge of 10 per cent of the figure at which the Lot has been valued for insurance (as determined by Christie's) together with any VAT chargeable thereon and Expenses.

## 10. Unsold Lots

Lots Bought in or otherwise unsold by auction must be collected at the seller's expense within the period of two months after receipt by the Seller of notice from Christie's requiring him to collect. Upon the expiry of such period Christie's shall have the right to sell such Lots by public or private sale and on such terms as it thinks fit and to deduct from the Proceeds of Sale any sum owing to Christie's including (without limitation) removal, storage and insurance expenses, Expenses with regard to the prior auction, unsold commission at the Published Rates in respect of the prior auction and all other reasonable expenses before remitting the balance to the Seller or, if he cannot be traced, placing it in a bank account in the name of Christie's for the Seller. Lots returned at the Seller's request shall be returned at his risk and expense and will not be insured in transit unless Christie's is otherwise instructed by the Seller. In this Condition the word 'Seller' includes a consignor of property and the expression 'Proceeds of Sale' shall have the same meaning in relation to a sale by private treaty as it has in relation to a sale by auction.

## 11. Modern Firearms

Supplement, available on request.

## 12. Seller's VAT status

The seller shall give Christie's all relevant information as to his VAT status with regard to the Lot to be sold which he warrants is and will be correct and upon which Christie's shall be entitled to rely. Once a Lot has been designated in the catalogue on the basis of such information, no alteration so as to effect liability to VAT shall be made.

C. GENERAL CONDITIONS

1. Christie's as agent for the Seller is not responsible for any default by the Seller or the Buyer.
2. Christie's shall have the right at its absolute discretion to refuse admission to its premises or attendance at its auctions by any person.
3. Christie's has the right at its absolute discretion to refuse any bid, to advance the bidding as it may decide, to withdraw or divide any Lot, to combine any two or more Lots and in the case of dispute to put up any Lot for auction again.
4. (a) Any indemnity hereunder shall extend to all actions, proceedings, costs, claims and demands whatsoever incurred or suffered by the person for whose benefit the indemnity is given;  
(b) Christie's shall hold any indemnity on trust for its employees and agents where it is expressed to be for their benefit.
5. Any notice given hereunder shall be in writing and if given by post shall be deemed to have been duly received by the addressee in the ordinary course of post.
6. These Conditions of Business shall be governed by and construed in accordance with English Law and all parties concerned hereby submit to the non-exclusive jurisdiction of the English Courts.

7. In these Conditions of Business the following words and expressions shall have the following meanings:

'Bought in'	those Lots which fail to reach their reserve.
'Christie's'	Christie, Manson & Woods Limited.
'Expenses'	Christie's charges for insurance, illustrations, special advertising, packing and freight and any VAT thereon.
'Forgery'	a Lot made or substantially made with an intention to deceive as to authorship, origin, date, age, period, culture or source which is not shown to be such in the description in the catalogue and which at the date of the auction had a value materially less than it would have had if it had been in accordance with the description.
'Hammer Price'	the price at which a Lot is knocked down to the Buyer.
'Lot'	any item deposited with Christie's with a view to its sale at auction whether on its premises or elsewhere with a view to its sale at auction and, in particular, the item or items described against any lot number in any catalogue.
'Proceeds of Sale'	the net amount due to the Seller being the Hammer Price less commission at the Published Rates and Expenses and any other amounts due to Christie's or to any associated company of Christie's from the Seller in whatever capacity and howsoever arising.
'Published Rates'	Christie's rates of commission which are 10 per cent of the Hammer Price on Lots selling for £1,000 and above and 12.5 per cent on Lots selling for less than £1,000, except for wine where the commission is 10 per cent on all Lots. In the case of Lots failing to reach their reserve, a charge of 5 per cent may be made on the last bid for the Lot where such bid is less than £500, and at 2.5 per cent on the last bid on all other Lots. VAT at the standard rate is payable on all Sellers' commission.
'Purchase Price'	the Hammer Price plus any premium, VAT chargeable and additional charges and expenses due from a defaulting Buyer under Condition A 10, in pounds sterling.

## INFORMATION FOR SELLERS AND BUYERS

### Terms of Sale

#### Seller's Commission:

Our commission from the seller is 10 per cent of the price at which a lot is knocked down to the Buyer ('the Hammer Price') on lots selling for £1,000 and above and 12.5 per cent on lots selling for less than £1,000, except for wine where the commission is 10 per cent on all lots.

#### Buyer's Premium:

Buyers are reminded that there is a 10 per cent premium payable on the final bid of each lot (see clause A4 of the Conditions of Business).

### Value Added Tax (VAT)

- (a) The Vendor: VAT at the standard rate is payable on the seller's commission and on such other charges as are liable to VAT within the UK (e.g. illustrations, insurance, etc.) by vendors who are EEC fiscal residents. Non-EEC resident vendors are exempt from payment of VAT on these charges.
- (b) The Buyer: VAT is payable in all cases on the premium and is non-refundable. Lots daggered (†) in the catalogue are, in addition, subject to VAT on the hammer price; if such a lot is subsequently exported and proof of export is supplied in the correct form to Christie's Accounts Department the VAT paid on the hammer price is refundable.

In the case of a lot marked with a dagger (†) in the catalogue, VAT is payable in addition on the final bid, refundable on proof of export.

In the case of second-hand goods which are dealt with for VAT purposes under the Special Scheme described in VAT Notices 712 and 724, H.M. Customs & Excise treat the final bid as the seller's selling price and the buyer's purchase price.

### Sellers Overseas

There are no auction taxes in the United Kingdom.

Paintings, drawings, prints, sculpture disposed of by the creator or as part of his estate before 1st April 1973, collections and collector's pieces and antiques more than 100 years old all enter the United Kingdom free of duty and without payment of VAT (explanatory leaflet on request).

It is essential that all items imported for sale must be declared as such to H.M. Customs at the point of entry into the United Kingdom, and appropriate documents obtained for presentation to us.

The addresses of our overseas representatives are at the back of this catalogue.

### Estimates

The estimated selling price of each lot is printed beneath the lot description. Bidders should bear in mind that these are prepared well in advance of the sale and are not definitive. They are subject to revision.

### Commission Bids

Christie's are always pleased to advise Clients and to execute bids on their behalf (subject to clause A12 of the Conditions of Business), and if successful the purchase price payable will be the final bid price and the premium of 10 per cent together with any VAT chargeable thereon (see clause A4 of the Conditions of Business).

Bids must always be made or confirmed in writing or by telex, reference being made to each sale through the code name and Sale Number printed on the title page of each catalogue. A form for written bids is printed at the back of the catalogue. To ensure that bids will be accepted and the delivery of lots is not delayed, intending buyers should supply bank or other suitable references to Christie's. The references should be supplied in good time to be taken up before the sale.

### Valuations

Christie's undertake written valuations for probate, insurance, family division or other purposes. Charges are arranged by negotiation but will be refunded on items sent for sale at Christie's shortly thereafter.

### Inspections

There is no fee for calling upon owners to advise on sale by auction in our rooms, although travel and out-of-pocket expenses may be charged.

# GUIDANCE TO PURCHASERS REGARDING PAYMENT AND SHIPMENT OVERSEAS

1. Payment for purchases should be made promptly by cash or sterling banker's draft payable to Christie, Manson and Woods Limited, together with relevant sales numbers, dates and lot numbers.
2. Purchases cannot be despatched until we are in receipt of your despatch instructions, full payment for lots bought and any Export Licence that may be required. PARTICULARS OF ARTICLES FOR WHICH U.K. EXPORT LICENCES ARE REQUIRED ARE GIVEN IN PARAGRAPH 5 BELOW.
3. The Shipping Office can arrange for shipment of your purchases against your specific instructions. This can be done either immediately after the sale in person if you are attending the sale, or in writing on the 'Shipping Instructions from Buyer' form which is sent with the purchase invoice to all overseas buyers, and should be returned with your remittance for the attention of the Shipping Office. Christie's will with discretion engage the services of professional commercial shippers who specialise in the handling of fine art and antiques—or will indeed be pleased to instruct your nominated shippers should you have a preference for a specific carrier.

Estimates for shipping any property and advice as to the most economic means of despatch can be obtained at any time from the Shipping Office which is situated by the Cashiers.

## 4. METHODS OF DESPATCH:

AIRFREIGHT—not to be confused with air parcel post—items sent by airfreight should normally be packed and flown out within 10 days from receipt of payment and shipping instructions.

ROAD TRANSPORT—Continental road consignments to many destinations can usually be delivered within 14/21 days from receipt of payment with instructions.

AIR OR SURFACE PARCEL POST—this is of course usually the cheapest way to send any item which does not exceed the stipulated weights and sizes laid down by the postal authorities. Despatch would normally be made within about 21 days from receipt of payment and instructions.

SEAFREIGHT—not to be confused with surface parcel post—items sent by seafreight should normally be packed and despatched within about 21 days from receipt of payment with instructions, but this is very dependent on the sailing dates of suitable vessels.

TRANSIT INSURANCE FOR THE ABOVE-MENTIONED METHODS OF DESPATCH: the forwarding agent instructed to handle your shipment can arrange for insurance to cover your property from collection at our premises to arrival. Please always indicate if you will be effecting transit insurance or whether it should be arranged by the nominated agent. Please also note that Christie's own insurance cover on all purchased lots ceases at the time of collection from our premises or seven days after the sale date, whichever is the earlier. Your attention is also drawn to sections A 8 and 9 of our Conditions of Business.

MERCHANDISE IN BAGGAGE (HANDCARRY)—all purchases being handcarried overseas must be correctly declared to the UK Customs at the port/airport of departure. The Shipping Office can give advice and assistance in arranging for the correct paperwork to be raised for you.

## 5. EXPORT LICENSING REGULATIONS FOR WORKS OF ART, ANTIQUES, COLLECTORS' ITEMS AND FIREARMS:

- a) In general, an export licence is required for the export of any item manufactured or produced more than 50 years (60 years in the case of photographic positives and negatives) before the date of exportation which falls within any of the following categories:
  - a. its value exceeds £16,000\* or, in the case of photographs and photograph albums exceeds £400\*; or
  - b. British historical portraits having a value of £4,000\* or more; or
  - c. documents, manuscripts or archives (other than printed books) including architectural, scientific or engineering drawings to scale produced by hand of any value; or
  - d. archaeological items recovered from the soil or territorial waters of the United Kingdom.(\*inclusive of buyer's premium and VAT)

- b) FIREARMS: An export licence is required for all types of firearm; rifles, pistols, shotguns and firearms of all types not more than 100 years old irrespective of value. However, firearms over 100 years old may still require a certificate for possession in the U.K. (see Catalogue Notes).

N.B. Exception: shotguns (less than 50 years old or valued at less than £16,000) (i.e. hammer price plus premium and VAT) may be collected and exported without an Export Licence if hand carried by the purchaser, on condition that he has not been in Great Britain for more than a total of 30 days during the previous 12 months. A passport or similar documentary evidence must be produced to Christie's at the time of collection of the shotgun by the purchaser.

- c) ENDANGERED SPECIES: An export licence issued by the Department of the Environment will be required for the export of any item made of, or incorporating (irrespective of percentage) animal material such as ivory, whalebone, tortoiseshell etc. and this may take up to four weeks to obtain. Christie's does hold preauthenticated licences to cover the export of antique carved African ivory to other EEC countries, so property falling within this category will not be subject to delay.

## 6. ADVICE ON EXPORT RESTRICTIONS AND APPLICATIONS

Christie's will be pleased to advise buyers on the detailed provisions of the export licensing restrictions and will submit the relevant export licence applications on request on condition that the licensed items are then exported by Christie's via their nominated shipper. If hand carried by the buyer, the buyer will be required to produce a valid export licence to Christie's or alternatively sign a waiver document stating that a licence will be applied for.

Export licences are usually obtained within two to three weeks but occasionally longer delays can occur—such delays are outside the control of Christie's. Buyers should always check whether a licence is required before exporting.
